i think that’s a very good thing.

iron ore futures could pose a threat to the 28billion swaps market in the commodity by exploiting hedging potential.

in addition to the crime they commit and the damage they do to themselves, they cause harm to their immediate family and friends as a result of their chaotic lives.

my impression of this pharmacy is that it's all a big hype.

patients trust drug companies with their health and their lives and glaxosmithkline abused that trust.
